**Subject: Invitation to Deliver Keynote Remarks at High Level Forum on International Anti-Corruption Day 2026, to be held on Thursday December 10, 2026 at Pearl Continental Hotel Karachi**

Dear Sir,

Transparency International Pakistan (TI Pakistan) is the national chapter of Transparency International (TI), a global civil society movement working to promote good governance, transparency and accountability.

TI Pakistan in collaboration with the Global Compact Network Pakistan (GCNP) and the Maritime Anti-Corruption Network (MACN) is organising a High-Level Forum to mark International Anti-Corruption Day 2026. GCNP, is the local network of the UN Global Compact in Pakistan since 2005 and promotes responsible business and sustainable development. Since 2021, it has partnered with MACN, a global business network fighting corruption in shipping, to strengthen integrity in Pakistan's maritime sector.

The Forum will focus on the theme **"Digitalising Public Services: Strengthening Transparency, Preventing Corruption and Driving Economic Growth,"** in line with the global theme of UNODC's International Anti-Corruption Day (IACD) 2026. The objective is to bring different stakeholders together to emphasize on digitization and how automation can improve public service delivery, reduce corruption, strengthen transparency and support economic growth in Pakistan. The forum will bring together government representative, policymakers, academia, students and civil society representatives to share experiences, identify key challenges and discuss practical solutions for promoting good governance.

In this regard, Transparency International Pakistan, GCNP and MACN would like to request you to nominate a senior officer from FIA Karachi to join us and deliver the keynote remarks. The event will take place on the **Thursday, December 10, 2026 (between 3 – 5PM) at Pearl Continental Hotel, Karachi.** TI Pakistan would appreciate if the nomination can be shared by Wednesday, November 25, 2026.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption, and achieve Zero tolerance against corruption.

Best Regards,
