Subject: Request for Meeting to Discuss High-Level Forum on Good Governance and Ethical Practices in the Health Sector, scheduled to take place on September 25, 2025 at Islamabad

Dear Sir,

Transparency International Pakistan (TI Pakistan), in collaboration with PatientsNotProfits, an initiative of the London School of Hygiene & Tropical Medicine (LSHTM) and Aga Khan University, Karachi is organizing High-Level Forum on Good Governance and Ethical Practice in the Medical and Pharmaceutical Sector in Pakistan.

The multi-stakeholder Forum aims to highlight prevailing governance challenges affecting the health and pharmaceutical sector, disseminate key recommendations and facilitate an open, solution-oriented dialogue among senior policymakers, regulatory authorities, industry leaders, healthcare professionals, civil society representatives, and governance experts.

TI Pakistan would like to request a meeting with you on September 01, 2025 at a time convenient for you to brief you on the upcoming high-level forum as well as the draft policy recommendations.

We look forward to hearing from you.

Regards,

Kashif Ali
Executive Director
Transparency International Pakistan
