Sub: Complaint against Chief Engineer CCB on Violation of PPRA Rules in Tendering of World of over Rs. 330 Million to be completed by 30 June 2018.

Dear Sir,

Transparency International Pakistan has received complaint against Chief Engineer CCB on violation of PPRA Rules in Tendering.

Copy to the complaint is enclosed (Annexure A).

The complainant has made allegations that;

1. Chief Engineers has made cartel with pre-selected contractors, to award them 33 contracts worth Rs 330 Million at 15% above and 10% below on MES Schedule of rates.
2. And list of contractors awarded such contracts in month of April in last three years may be examined.
3. The company of complainant wants to bid at 15% below to 40% below on MES Schedule of Rates, but the company is being harassed by CE.

Transparency International Pakistan has examined the complaint, and has noted that allegations if true may result in loss to exchequer of over 30% of Rs. 330 Million.

Also the practice to awarding 33 contracts worth Rs 33 Crores at the end of financial year also raises doubt and strengthen the corruption issue raised by the complainant.

TI Pakistan requests the Cantonment Executive Officer, being the principal accounting officer of CCB to examine the complaint, and if the allegations proves to be correct, allow open competition and also allow the complainant to participate in tenders. And also action shall be taken against the officers responsible for this illegal act, in accordance with Sections 10 of NAO 1999.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,

Justice Zia Perwez

**RIGGING IN MISC WORK TENDER PUBLISHED ON PPRA
WEBSITE VIDE. TS347822E dated 12-03-2018 ESTIMATED
COST RS: 330 MILLION**

Ref:

Our letter dated 14-03-2018 and 02-04-2018 Copy attached

Refer above letter and telephonic request to chief Engineer Clifton Cantonment Board Mr. Abid Shah regarding issuing of subject tender documents the same tender was not issued to our firm to avoided open competition. as the chief Engineer Abid shah did not happy with our past lowest and competitive rates.

Sir, with due respect I want to inform that The Chief engineer favored contractors intent to get subject tender on high rates bid **15% Above to 10% Below** on MES Schedule the cost set for the same. However, we wanted to bid **15% below to 40% Below** the cost but could not do so because of the nexus. the nexus between chief engineer and contractors can be compare with last three-year Clifton Cantonment Board tender's results.

Violation PPRA Rule 21 Subject to the provisions of rules 22 to 37 the procuring agencies shall engage in open competitive bidding if the cost of the object to be procured is more than the prescribed financial limit which is applicable under subclause (i) of clause (b) of rule 42]. (1) The bids shall be submitted in a sealed package

In view of the huge economic impact, and violation of PPRA rule on subject tender may please retender and hold an inquiry on favoritism in tendering process further request the finding of inquiry may please share with us
