Subject: Complaint Against Serious Allegations of Violation of SPPRA Rules 2010 By Works & Services Department, GoS in Procurement of Various Schemes through Non-Publication of Notice Inviting Tenders (NITs) and Publication of Backdated Bid Evaluation Reports (BERs)

Dear Sir,

Transparency International Pakistan has received multiple complaints against serious allegations of violation of SPPRA Rules 2010 by Works & Services Department, GoS in procurement of various schemes through non-publication of NITs and publication of backdated bid evaluation reports (BERs) **(Annex-A).**

The complainant has made the following allegations:

1. Works & Services Department has carried out the procurement for the following schemes without effective invitation of public tenders or access to bidding documents to potential bidders for the following:

List of Works Reported Without BER and With Delayed BER Publication			
S.No.	Division Name	Project Description/Work Name	Status
1	XEN Machinery Maintenance Division, Khairpur @ Shikarpur	SPK25260429 — Construction / Reconditioning of Road from Kandhkot Saifal Road to Village Kamran Khan Bajekani (6.44 KM)	No BER

15	XEN Provincial Highways Division, Larkana	Construction of Bypass from (N-55) @ Point Chanhra to Connect (N-55) chingni Shah via Saeed Khan Panhwar (5.80 KMs)	Late BER

2. The lack of publication of tender is serious violation of SPPRA Rules 2010, which require all procuring agencies in the province to ensure procurement is conducted in fair and transparent manner through open competition.
3.
4. The Works & Services department has published backdated bid evaluation reports after lapse of several months in violation of SPPRA Rule 45, which require procuring agencies to announce the results of bid evaluation giving reasons for acceptance and rejection of bids and intimate to the bidders at least 3 days before award of contract.

Transparency International Pakistan Comments

TI Pakistan requests the Chief Minister Sindh to investigate the serious allegations of the complaint, and if found correct, issue directives to cancel the contract and re-advertise the NITs according to SPPRA Rules, and also take action against the officer involved in the publication of backdated BERs as per SPPRA Rules, Integrity Pact and anti-corruption rules.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption, and achieve against Zero tolerance against corruption.

Respected Sir,

I hereby submit this complaint regarding serious and prima facie irregularities in the procurement activities of the Works & Services Department, Government of Sindh, involving hidden tenders, non-transparent procurement proceedings, delayed publication of Bid Evaluation Reports, apparent backdated uploading of procurement documents on PPMS/SPPRA website, and expenditure reflected in the ADP Budget Book 2026-27 despite the apparent absence of timely and transparent procurement proceedings.

1. **Hidden and Non-Transparent Tenders**

It is alleged that following several schemes and works of the Works & Services Department were processed without providing effective and timely public access to the Notice Inviting Tenders and bidding documents.

The concealment or ineffective publication of tenders deprives potential bidders of equal opportunity and undermines the fundamental requirement of open competition. Rule 15 of the Sindh Public Procurement Rules, 2010 provides that Open Competitive Bidding shall be the principal method of procurement. The Rules also define open competitive bidding as a fair and transparent procedure advertised in the prescribed manner.

Where a tender was not properly advertised or was uploaded after the relevant procurement activity had effectively taken place, the procurement process requires detailed scrutiny as to whether genuine competition was available.

Respected Sir,

I respectfully submit the present complaint for urgent regulatory intervention concerning serious and prima facie questionable procurement practices allegedly occurring in connection with various schemes and works of the Works & Services Department, Government of Sindh.

The matter relates, inter alia, to tenders which appear to have been inadequately or ineffectively advertised, procurement proceedings where timely public access to tender documents is not demonstrable, substantial delays in publication of Bid Evaluation Reports (BERs), apparent discrepancies between the dates appearing on procurement documents and their actual availability on the PPMS/SPPRA portal, and expenditure or financial progress reflected against schemes in the ADP Budget Book 2026-27 despite the apparent absence of a corresponding contemporaneous and transparent procurement record.

The nature of the issues raised herein is such that they cannot appropriately be resolved merely by obtaining routine departmental comments or explanations. The actual chronology of each procurement must be established through the original documentary record and, most importantly, through the electronic audit trail maintained by the relevant systems.

It is further submitted that allegations of this nature are not being raised for the first time. Similar concerns relating to procurement transparency, delayed publication, tender accessibility and compliance with the statutory procurement framework have previously been brought before the relevant authorities. The continued recurrence of substantially similar issues, despite the availability of regulatory mechanisms and previous complaints, warrants a comprehensive examination of the effectiveness of supervisory and enforcement measures.

Accordingly, the present complaint may kindly be treated as a matter requiring an independent, evidence-based and time-bound regulatory examination rather than as ordinary departmental correspondence.

Respected Sir,

I hereby submit this complaint seeking your immediate intervention in relation to serious, repeated and prima facie irregularities in the procurement activities of the Works & Services Department, Government of Sindh, including hidden or inadequately advertised tenders, non-transparent procurement proceedings, delayed publication of Bid Evaluation Reports (BERs), apparent retrospective/backdated uploading of procurement documents on the PPMS/SPPRA website, and expenditure/financial progress reflected against schemes in the ADP Budget Book 2026-27 despite the apparent absence of a corresponding timely and transparent procurement trail.

It is further submitted that **the present matter cannot be treated as an isolated occurrence or a first-time complaint**. Several complaints of the same or substantially similar nature have already been submitted before the concerned offices and, to the best of my knowledge, relevant matters and complaints are already available on the official record of the competent authorities. Despite the repeated reporting of such irregularities, **no effective, conclusive and deterrent action appears to have been taken against the responsible officers/persons, nor has any transparent outcome been communicated to the complainants.**

The continued recurrence of the same nature of irregularities, despite their repeated identification and reporting, raises a serious question regarding **institutional oversight, enforcement of the SPPRA regulatory framework, accountability of the officers responsible, and the effectiveness of action taken on previous complaints.**

It is therefore respectfully submitted that the competent authority should not merely call for a routine explanation from the concerned officers and close the matter as a procedural discrepancy. Rather, the matter requires an **independent, comprehensive and evidence-based forensic inquiry** so that the true chronology of each procurement may be established from the original electronic records.

Subject: **COMPLAINT REGARDING HIDDEN TENDERS, DELAYED AND BACKDATED PUBLICATION OF BID EVALUATION REPORTS ON PPMS/SPPRA WEBSITE, AND UNAUTHORIZED EXPENDITURE REFLECTED IN ADP BUDGET BOOK 2026-27, WORKS & SERVICES DEPARTMENT, GOVERNMENT OF SINDH.**

Respected Sir,

I hereby submit this complaint regarding serious and prima facie irregularities in the procurement activities of the Works & Services Department, Government of Sindh, involving hidden tenders, non-transparent procurement proceedings, delayed publication of Bid Evaluation Reports, apparent backdated uploading of procurement documents on PPMS/SPPRA website, and expenditure reflected in the ADP Budget Book 2026-27 despite the apparent absence of timely and transparent procurement proceedings.

1. Hidden and Non-Transparent Tenders

It is alleged that following several schemes and works of the Works & Services Department were processed without providing effective and timely public access to the Notice Inviting Tenders and bidding documents.

The concealment or ineffective publication of tenders deprives potential bidders of equal opportunity and undermines the fundamental requirement of open competition. Rule 15 of the Sindh Public Procurement Rules, 2010 provides that Open Competitive Bidding shall be the principal method of procurement. The Rules also define open competitive bidding as a fair and transparent procedure advertised in the prescribed manner.

Where a tender was not properly advertised or was uploaded after the relevant procurement activity had effectively taken place, the procurement process requires detailed scrutiny as to whether genuine competition was available.
